Kratos made much better... the game engine will be very low-level, that means it will probably be written in OpenGL. This engine will run on PC, Playstation 2, Xbox and Wii, and will not use any plug-ins. The Source Engine is the proprietary engine made by Id. It is used in most... Kratos' melee attacks deal moderate damage to the target. To punch, he uses one of his two fists. To kick, he uses both. Kratos' ranged attacks deal minimal damage and have a range of six feet. To attack with his fist, he punches with either of his two fists. To attack with his sword, he thrusts with his blade. Kratos is the most powerful character in the game. He has a very large health pool, a large melee attack and a powerful punch. He has a moderate defense. Kratos' melee
