## Call Of Duty 2 Highly Compressed 429 Mb PC Megagolkes

Call Of Duty 2 Highly Compressed 429 Mb PC megagolkes Call of duty 2 Highly Compressed is the first game to work with Frostbite 2.0 from the Battlefield series. It is the sequel to Call of Duty 4: Modern Warfare, and was released in November 2007. Call of Duty 2 Highly Compressed (COD2-HCT) is the second installment in the Call of Duty series, developed by Infinity Ward and published by Activision. The game was released on November 21, 2007, for Microsoft Windows and PlayStation 3. This installment was the first to be released on the PlayStation 3 and Xbox 360. The story of the game takes place shortly after the events of the first Call of Duty, and the protagonists of this game are a team of four elite U.S. Marines, known as the "Dark Horse", who stop a Russian invasion of Afghanistan. The game features a more tactical gameplay, combining real-time tactics with an emphasis on player customization, and includes a variety of new and returning weapons and equipment. The game was initially released with different editions of the same game to be played on the PlayStation 3 and Xbox 360, with the Microsoft Windows version being released as a download a week later. The first game of the series, Call of Duty 4: Modern Warfare, has become a huge success, with its success inspiring Infinity Ward to develop its own version of the game. Call of Duty 2 Highly Compressed (COD2-HCT) was praised for its improved graphics, the varied gameplay, the attention to detail, and the fast-paced combat. The game received critical acclaim and topped the sales charts, becoming the fastest-selling video game of all time on the Xbox 360 and PlayStation 3. It also received several Game of the Year Awards and the first Golden Joystick Awards. The game received a 9.1/10 rating from IGN, making it the highest rated game of 2007. It is the best selling game of 2007 on both PlayStation 3 and Xbox 360. Call of Duty 2 Highly Compressed was played by over 11 million people in the first 24 hours of its release. By October 31, 2008, the game had sold 9.2 million copies. Contents Plot Early in the game, the player assumes the role of Captain William 'Joker' Edwards. Edwards is aboard the M.S. Titus, an U.S. Marine Corps ship, when he is informed that the Russian forces have invaded the country of Afghanistan.
