World Of The Princess And The Warrior.Q: Unique rank number for each item in a list In my data, I have a list of measurements that can be repeated multiple times. I'd like to get a rank number for each item in the list. I saw a similar question, "Using LINQ, how do I get a unique rank number for each item in a list?", but I'm not understanding the solution. Example data +-----+-----+-----+-----+-----+-----+-----+-----+-----+-----+| Item # | Temperature (C) | Alkalinity (ppm) | +-----+-----+-----+-----+-----+-----+| P1 | 50.5 | 1317 | | P1 | 47.7 | 1317

Password|Eskritl|Deutsch|Русский My current battle readiness is at 5% and I find myself with 18. This tells me that each realtime rating unit will decrease my realtime rating by 1%. Comments Hello i am now very happy for this post.This post was facinating.thanks for keeping this up.websiteQ: MySQL 5.6.17 InnoDB Plugin error: 1267 - Truncated incorrect DOUBLE value: '2.00913' I have Apache/PHP/MYSQL on Windows, and I'm having troubles creating a table: mysql> CREATE TABLE `test` (`id` INT NOT NULL AUTO_INCREMENT PRIMARY KEY, `title` VARCHAR(50) NOT NULL, `content` TEXT NOT NULL, `title_tags` VARCHAR(200) NOT NULL, `content_tags` TEXT NOT NULL, `hashtags` TEXT NOT NULL, `created` INT NOT NULL DEFAULT 0, `published` INT NOT NULL DEFAULT 0) ENGINE=InnoDB DEFAULT CHARACTER SET=UTF8 ERROR 1267 (HY000): Truncated incorrect DOUBLE value: '2.00913' I've got data in this table, but I can't create this one. I've got the "show status" plugin in my.ini. Please help! Thanks! A: Your ids are 2.00913, that's way it fails. Change the column datatype to decimal(14,2). 2.00913 is very large number. You can change the max width and precision in column definition. Clive Palmer's bid for the leadership of the federal Labor party was revealed last year This article is more than 4 years old This article is more than 4 years old Malcolm Turnbull says Clive Palmer would not be allowed to lead the federal Labor party, to which he applied to become an organiser. The leader of the Liberal party, on the ABC's Insiders program on Sunday, said on a number of occasions that Palmer would not be allowed to take on the role. However, the senior Liberal, Peter Dutton, has declined to rule out the Queensland MP replacing Bill Shorten should the opposition leader resign. Palmer has ba244e880a
